

**8<sup>th</sup> Grade Girls Secular Studies Supply List  
2018 – 2019**

*Note that “art” and multi-purpose supplies may be used for multiple subjects. Please maintain proper working supplies throughout the school year. A good pencil case to keep supplies organized and together is recommended.*

*Also note that there may be a few additional small supplies needed over the course of the school year. Requests for any additional materials will be made with reasonable time for acquiring these materials.*

**General Supplies- to be shared and used for all classes**

- 1 USB thumb drive to use for saving documents for classes other than computer class
- 1 1-inch binder (to be used for homework binder)
- 1 2-pocket folders with holes to fit inside binder
- 1 package loose-leaf paper

**Math**

- 1 1½-inch binder
- 2 packages graph ruled filler paper (either 4 or 5 squares per inch)
- 2 packages loose-leaf paper
- 1 2-pocket folder with holes to fit inside binder
- 1 package loose-leaf dividers
- 1 package of reinforcements
- 1 calculator Texas Instruments TI-84 plus (approximate price \$100)
- Note:** This year we are again offering a calculator rental option for the TI-84 plus. Please e-mail [lgarland@theneha.com](mailto:lgarland@theneha.com) to arrange a rental for the year. A deposit for \$100 will need to be given to start the year, with a refund of \$65 when calculators are returned in good condition at the end of the school year.
